- III. JUSTIFICATION FOR ACTION

I. DETAILED EXPLANATION OF CHANGES

A new course, Techniques of Assessment and Research (400-740), has replaced the Techniques of Research course (424-740) for the Master's of Curriculum and Instruction degree. The new course (400-740) is required for the Master's of Curriculum and Instruction degree instead of the old Techniques course (424-740). The old course (424-740) continues to be required for the Master's in Counselor Education degree. The requisite change simply specifies the old course (424-740) for the counseling majors, just as it has been in the past.

REQUISITE:

FROM: NONE

TO: Restricted to Students with Curric: MS-Coun-Guid

II. PROGRAMS AFFECTED

Master of Science in Guidance and Counseling

III. JUSTIFICATION FOR ACTION

The new course (400-740) is inappropriate for counseling majors because they already study the general topic of assessment in another required course. Again, the requisite change is to insure that they take the most appropriate course which is 424-740.
