RE: MS in Communicative Disorders

Dear Dave:

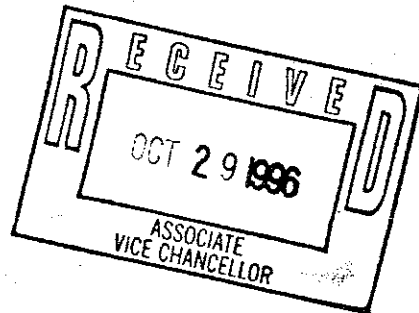

UW-Whitewater is pleased the Board of Regents authorized the implementation of the MS in Communicative Disorders. The program is implemented effective immediately. We would appreciate the joint review to be scheduled concurrently with the audit and review which is scheduled for 1998-99.

Sincerely,

RE: Authorization of the MS in Communicative Disorders

On October 11, 1996 the Board of Regents authorized the Chancellor of UW-Whitewater to implement the MS in Communicative Disorders. This is the successful culmination of much time and thoughtful effort by faculty and staff and they are to be congratulated.

Please send us formal notification when the program implementation date is set. The program will be the subject of a joint UW System/institutional program review that will commence approximately five years after the new program is implemented.

At the time the program joint review is to begin, I will assign staff from this office to work in concert with those from UW-Whitewater to prepare a joint review report. The report, together with your recommendations for the disposition of the program, will then be forwarded to this office for my consideration and final action.

The authorization of this program will be included in the annual report on Program Review and Planning in the UW System, which is presented to the Board of Regents each December.
