I. DETAILED EXPLANATION OF CHANGES

A new course, Techniques of Assessment and Research (400-740), has replaced the Techniques of Research (424-740) for the MSE in Special Education. The new course (400-740) is required for the MSE in Special Education instead of the old techniques course. The Special Education Department has asked us to offer the old course (424-740) for their majors thus necessitating the requisite change.

REQUISITE:

FROM: Restricted to Students with Curric: MS-Couns-Guid

TO: Restricted to Students with Curric: MS-Coun-Guid
and/or MSE - Special Education

II. PROGRAMS AFFECTED

Master of Science in Education - Special Education

III. JUSTIFICATION FOR ACTION

The new course (400-740) is inappropriate for special education majors because they already study the general topic of assessment in other required courses. Again, the requisite change is to insure that they take the most appropriate course which is 424-740
