Proposal Form #5: Number Change reference Course 436-798

I. Detailed Explanation of Changes:

Change from 436-798 to 510-798.

II. Programs Affected:

None

III. Justification for Action:

While the non-departmental prefix, i.e., 436-, was appropriate when the Communicative Disorders program was housed in the College of Letters and Sciences (1967-1993) it is no longer an appropriate or accurate designation. Since moving into the College of Education in 1993 and achieving departmental status in 1994, this course continues to be offered and taught by faculty in Communicative Disorders. Using the department prefix, 510-, will eliminate confusion for students and more accurately reflect the current college affiliation and departmental status.
