FROM: No prerequisites

TO: At least 15 credits completed in Business Education M.S. program.

II. **Justification for action**

ITBE 762 is the capstone course for the Business Education graduate program, focusing specifically on curriculum issues in the field. The addition of this prerequisite will ensure that only Business Education majors will enroll in the course. Non-education majors will not have the needed background in education concepts, and other education majors will not have the needed background in topics in the business and marketing education fields.

III. **Syllabus/outline** (if course Revision)
