- 2. Relationship to mission and strategic plan of institution, and/or college and department goals and objectives:** “To offer graduate education built clearly upon its undergraduate emphases and strengths with particular emphasis in the fields of business, education, communication, and human services.” The inclusion of MANGEMNT 738 MANAGEMENT OF TECHNOLOGY will provide students in operations/supply chain management an additional elective to take. Operations/supply chain management field is becoming more and more technologically oriented and such a course would strengthen our emphasis.
- 3. Rationale:** The inclusion of Management738 will provide students with a greater choice of for students interested in the operations/supply chain management emphasis.
- 4. Cost Implications: NONE**
