Dear Dr. Barrett:

Thank you for sending your music education curriculum information. I have examined it carefully and find it to be an excellent reflection of the Department of Public Instruction's new PI 34 certification rules.

The course and the course changes recommended will provide your music education students the means to develop and demonstrate the competencies contained in PI 34. I am especially pleased with the provisions for learning experiences at the pre-K level.

Again, thanks for your early response to the PI 34 rules.

Sincerely,
